Fortress Song

Written by: KRISTER LILLAS Performed by: PRAISELAND

Bb

Mountains will fall and I will hear the thunder roar

Oceans will rise, but I stand safely on the shore Gm

Armies will march and bring confusion in the land Eb

You are my Fortress as You hold me in Your hand ***

Bb

There will be clouds of darkness covering the sky

Showers of driving rain and hailstorms passing by Gm

Leaders will leave their herds or lead them all astray Eb

You are my Fortress, You're the place for me to stay

Bb Gm

In the Kingdom of God and the power from above

F

Eb F Bb

No one, no one's in need

Bb Gm

In the Kingdom of peace, liberation and ease

Eb F Bb F

There is no one, no one in need ***

Bb

Nature will riot when the end of time is near

Eb

People will fall apart, when conquered by their fear

I lift my head, I look upon the One who rose

₽b

You are my Fortress, You are holding me so close

Mountains will fall and I will hear the thunder roar Oceans will rise, but I stand safely on the shore Armies will march and bring confusion in the land You are my Fortress as You hold me in Your hand

There will be clouds of darkness covering the sky Showers of driving rain and hailstorms passing by Leaders will leave their herds or lead them all astray You are my Fortress, You're the place for me to stay

In the Kingdom of God and the power from above No one, no one's in need In the Kingdom of peace, liberation and ease There is no one, no one in need

Nature will riot
when the end of time is near
People will fall apart
when conquered by their fear
I lift my head,
I look upon the One who rose
You are my Fortress,
You are holding me so close
